

Dear Pastor,

Thank you for your interest in reaching children through *Child Evangelism Fellowship*®! Since 1937, CEF has sought to connect un-churched children and their families with loving churches who can nurture them in their Christian growth.

How do we do it?

- Through **Good News Clubs** that meet in public schools, day care centers, apartment complexes and wherever children gather.
- Through **5-Day Clubs** in the summer months and **Party Clubs** at various times during the year.
- Through **excellent training** for all areas of Children's Ministry. From **Wordless Book Training** to extensive 30 hour courses such as **Teaching Children Effectively** levels 1 and 2.

Whether you're just starting out as a church or have a rich heritage in your community, CEF wants to work with you to help your church **realize your vision** for reaching your community for Christ.

Contact me soon so we can talk about how CEF can best partner with your church. God has placed a vision on your heart, so let's work together to see what works best for your church and His plan for the community.

For the Children,
