CHILD EVANGELISM  
FELLOWSHIP®

Reaching children worldwide™

Dear Principal,

We're looking forward to entering into a partnership with you in having a Good News Club at your elementary school! I'll try to answer a few questions you may have about the club, but if you think of others please feel free to call me anytime.

Your school district has granted approval for these clubs and they are allowed under the 2001 US Supreme Court ruling concerning equal access. The clubs are a ministry of **Child Evangelism Fellowship**, an organization that has been in operation since 1937. It is a worldwide ministry operating in 192 countries and every state in the USA. Each club is supported and insured by CEF. All teachers and leaders associated with the club are background checked by CEF and will submit to background checks by your school and/or district.

We send parent permission slips home with the children that clearly explain that we are a Christian organization. Children are only allowed to attend if that form is signed. Clubs generally meet for about one and a half hours, one day a week after school. Generally, we provide the children with a snack and then we sing songs, play games and teach lessons that always have a theme such as honesty, obedience, respect for authority and integrity. The Good News Club also helps to:

- Improve race relations
- Make inroads against gang activity
- Provide love for children in troubled situations
- Improve memory skills, grades and behavior
- Offer the moral foundation to combat the pressures of drugs, theft, violence, etc.
- Extend friendship to the friendless

We are here to help beyond the school doors, too. Since clubs are sponsored by local churches they often times can provide additional support such as food, clothing, or mentoring. The Good News Clubs are here to help provide a better life for the children and families of your community. We are so thankful for this opportunity and look forward to reaching your children.

Sincerely,

Lauri Mayberry
